MEMORANDUM FOR: Assistant Deputy Director for Intelligence

SUBJECT: Review of Classification Authority  
Delegations

Mr. Colby has completed his review of the proposed deletions of classification authority delegations. In conjunction with this review, he has asked that I respond to your memorandum of 13 March 1973, advising you that he wishes you to proceed with the deletions of the Secret classification authority delegations identified in the attachment to that memorandum. The Top Secret delegations must be authorized by the Director and this office will initiate action on those deletions.
